## Updates: DOT

### Bike Rack Update:

Addressing backlog of requests:

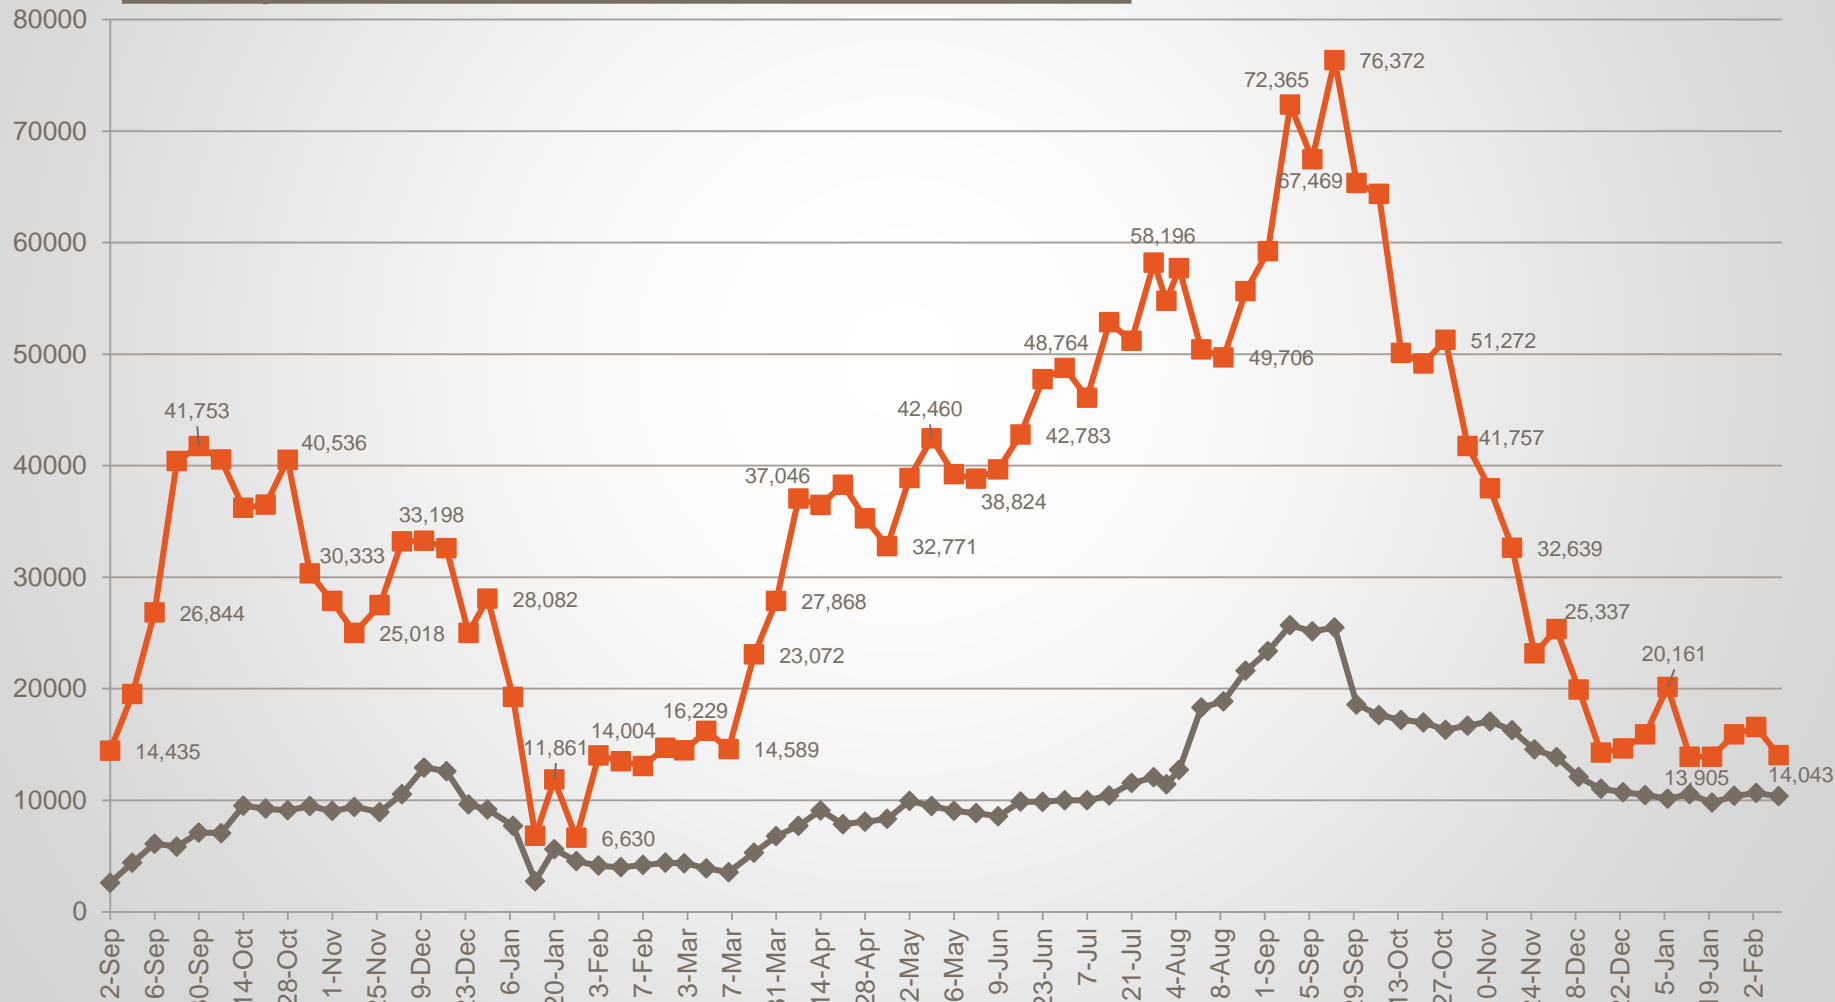

- 30 Bike racks delivered
  - 30 more to be ordered in March
- Bike corrals + installation plan
- Starting on North Ave.
  - Geographic placement of city wide request list

## Updates: DOT Dockless

### Weekly Dockless Rides & Vehicles Released

## Updates: DOT Dockless

### Current Projects

- **User Survey** – Open February 28- March 22 on the Apps and DOT website
- **Corrals** – Install expected to begin in March
- **Facilities** – Audit Kick-off held, project expected to be wrapped up in late April

### Complete Streets Manual Considerations and Inclusions:

#### Increasing diversity of modes

- Speed control and space for all users – street typologies allow route choices
- No need to immediately change definitions from being “bike facilities”

#### Increasing demand for curb space

- Equity and Inventory are important
- Maintenance and audits need to be constant

#### New Users

- More signage and communication, attention to transitions

## Updates: DOT Dockless

### Upcoming Evaluations and Opportunities for Input:

#### Dockless Vehicle R&R Discussion

- March 11: Education and Engagement, Equitable Access, Deployment
- April 8: Data & Reporting, Seizure, Insurance, Survey Results

#### Annual Evaluation Report – Early May

- Safety Update
  - Data Trends – Ridership, temporal patterns, equity
  - Perceptions - Analysis of User Survey results, public engagement
  - Evaluation of DOT Support
  - Recommendations for 2020 Permit Rules & Regulations
- 30 Day of Public Comments to be announced
